

REACH classic - PRIVACY POLICY

This privacy policy governs your use of the software application REACH classic("Application") for mobile devices that was created by Back to the Game, inc. ("Developer"). The Application is a puzzle game, it allows the players to share their score with their Facebook friends, and collects anonymous usage data.

User Provided Information

The Application does not collect or store any User Provided information. Your email is not needed, never asked, neither collected or stored. Your public Facebook information is only used for the Developer to share your score in the leaderboards. We never post your score without your consent.

Automatically Collected Information

The Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application. The Developer collect these information to improve the Application and the service. The Developer don't share any personal information with any other third party.

Does the Application collect precise real time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application

Only aggregated, anonymized data is periodically transmitted to external services to help us improve the Application and our service.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13. The Application doesn't display any advertisements. There are no In-App purchase within the Application.

Changes

This Privacy Policy may be updated every time the Application is updated. We will not notify you of any changes, an history of all changes will be part of each update.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at info@b2tgame.com.
